

Go through the maze and collect all the litter.

Paper is one of the most common items littered on the highways.

Food scraps are considered litter and harmful to wildlife.

It takes up to 450 years for a plastic water bottle to decompose.

Did you know?

There are roughly 25.9 billion pieces of litter along U.S. waterways and 23.7 billion pieces along roadways.

Double Trouble

Name _____

Doubling keeps the
vowel short and the
syllable closed.

Start at the vowel and count.

1, 2 - Double I do!

1, 2, 3 - Leave it be!

Directions: Start counting at the short vowel in the base words. Use the rule above to know when to double the consonant. Write the new words.

(The first two are done for you. Trace them.)

Base Word	Add -ed	Add -ing
ask 1, 2, 3	asked	asking
flip 1, 2	flipped	flipping
tug		
pull		
drag		
grab		
help		
pick
